Hi city team -

Quick question for you, the bills that were sent to the South Park 2 stakeholders state that the full assessment is due December 30, 2015. This is causing a lot of stress and anxiety and I just wanted to confirm that they are not able to pay into installments during the course of 2016 like the current bid. Please let me know so I can confirm.

Thanks,

Also, if they pay after Dec 30, what fees or penalties accrue, if any, and when.

Lastly, have you added any EFT or online payment ability? Some owners are requesting this, especially some out of the country.

This type of issue is not something that I'm involved in, so someone else from our office will need to answer these questions.
